MARYLAND SMALL BUSINESS RETIREMENT SAVINGS BOARD MEETING

Closed Session – November 12, 2021

CLOSED SESSION

This session will be a closed session because the Board will only be discussing procurement and personnel matters that are protected under the open meetings law.

Because this Meeting of the MSBRS Board is being held by remote means, it is not logistically feasible to alert the public in attendance at the Open Session when the Board adjourns from the Closed Session and returns to Open Session. Therefore, the Board intends to adjourn the Regular Meeting during the conclusion of the Closed Session and will not return to Open Session following the Closed Session. The minutes of the next Open Session of the MSBRS Board of Directors will include all information required to be disclosed pursuant to GP §§3-306(c)(2) and 3-104, and such minutes will be publicly available on the MSBRS website (www.marylandsaves.org) once the MSBRS Board of Directors have approved such minutes.
